

The Pueblo of Laguna is seeking individuals to serve as a Member on the Laguna Rainbow Corporation (LRC) Board. LRC provides programs and services in a 58 bed long term care facility and daily services in a community based center for the aging. The LRC Board Member will be responsible for LRC's strategic direction, making policy, oversee organizational performance, monitoring accountability to meet industry regulatory standards, and ensure resources exist to achieve determined goals and objectives.

The individual should possess the following;

- Background in management, business administration and/or finance
- Excellent communication skills in writing and speaking
- Knowledge of federal or state regulation, policies, or standards
- Expertise in aging and long term care industry who provided direct oversight in a leadership role
- Demonstrate excellent public relations skills to conduct meetings and make public presentations
- Nursing or other Healthcare related work experience or knowledge is a plus

Interested individuals must submit a resume' to the Pueblo of Laguna Secretary's Office via e-mail to eantonio@lagunapueblo-nsn.gov by 4:30 pm, September 5, 2014.
