<b>CLOSING DATE:</b>	<b>Open Until Filled</b>
<b>DEPARTMENT:</b>	<b>Public Safety / Fire Protection Program</b>
<b>SALARY RANGE:</b>	<b>NE-10; \$31,429 - \$47,154</b>

**Position Summary:**

Under direct supervision of the Administrative Lieutenant, the Contact Tracer is assigned newly detected cases of COVID-19 to identify sources of transmission and to control spread. Consistently applies the Pueblo's Core Values in support of Workforce Excellence. Maintains confidentiality of all privileged information.

*This list of duties and responsibilities is illustrative only of the tasks performed by this position and is not all-inclusive.*

**Essential Duties & Responsibilities:**

- Works within a Paramilitary Rank structure environment; adheres to and follows the chain of command.
- Based on information received from testing facilities/entities, begins established process of identifying contacts of positive COVID-19 individuals.
- Initiates immediate communication with Contacts of diagnosed COVID-19 patients through text, email, phone calls and other platforms.
- Provides identified Contact with approved information on quarantine procedures, what to do if symptoms develop and if appropriate, refer to testing.
- Maintains communications with Identified Contacts throughout quarantine period to evaluate status. Monitors/ensures the availability of food and other necessary supplies for an effective quarantine.
- Requests assistance of team and supervisor to address unsuccessful attempts to communicate with contacts of identified positive cases.
- Works as a team member of testing coordinators, investigators, and other contact tracers to efficiently complete case investigations.
- Collects and records information in a local web-based platform in compliance with established policies and procedures.
- Participates in regular surveillance and investigations program meetings, training, and weekly case reviews.
- Participates in outbreak investigation/assessment in high-risk settings such as long-term care facilities and congregate living sites.
- Maintains required certifications; maintains/enhances technical knowledge by attending relevant training and workshops.
- Performs other duties as assigned.

**Minimum Qualifications:**

High School diploma or GED required. Associates Degree in Public or Health Education or other health related field preferred. Two (2) years of work experience in health-related field, social services, or case management required. Johns Hopkins Bloomberg School of Public Health Contact Tracer Certification required. Prior public health experience working in Native American communities preferred. Fluency in the Laguna language preferred. A combination of relevant education and related work experience may be considered.

**Background Investigation Requirements:**

The Pueblo of Laguna has a Suitability Policy for background investigation processes. Every position in the government operation is reviewed and designated at one of three risk levels. The determination is commensurate with public trust responsibilities and attributes of the position which includes job duties. The COVID-19 Contact Tracer is designated as a High Risk Public Trust (HRPT) position.
