

**PUEBLO OF LAGUNA  
JOB ANNOUNCEMENT NO. 2022-90**

**OPEN TO IN-HOUSE & EXTERNAL APPLICANTS**

<b>POSITION:</b>	<b>Environmental Technician I</b>
<b>OPENING DATE:</b>	<b>February 28, 2023</b>
<b>CLOSING DATE:</b>	<b>Open until filled</b>
<b>DEPARTMENT:</b>	<b>Environmental and Natural Resources</b>
<b>SALARY RANGE:</b>	<b>NE-10; \$31,434 - \$47,151</b>

**Position Summary:**

Under direct supervision of the Environmental Program Manager, assists the Environmental Program staff in conducting field work by gathering specific data and information, and supporting the program's scope of work. Maintains confidentiality of all privileged information.

*This list of duties and responsibilities is illustrative only of the tasks performed by this position and is not all-inclusive.*

**Essential Duties & Responsibilities:**

- Assists in conducting field work by gathering water quality and site investigations data which will be incorporated into work projects performed by various environmental related entities.
- Conducts regular inspections of the community recycling drop-off centers and coordinates with Laguna Utility Authority transfer of solid waste.
- Updates databases for the EPA and IHS. Updates EPA project plans including: photos and labeling of sites; GPS/GIS location (latitude and longitude); environmental conditions; soil and sediment sampling; water sampling; brief descriptions of problems. Catalogs sites.
- Assists with equipment maintenance and periodic calibration.
- Assists program staff with data entry.
- Provides appropriate reports and makes recommendations regarding findings and resolving problems; discusses plans and actions to be taken in making decisions.
- Conducts water quality parameter measurement and sampling.
- Monitors former dump sites and reports illegal dump sites for cleanup to supervisor.
- Participates in clean-up, removal, and closure of underground storage tanks.
- Conducts HazMat investigations and clean-up as needed.
- Negotiates with vendors for purchase of equipment and supplies.
- Assists with building and maintaining technical reference library.
- Provides outreach to community and tribal programs to promote various environmental protection projects and to provide information.
- Develops working relationships with Federal, State and other tribal entities.
- Attends staff and work group meetings, including meetings of the Tribal Emergency Response Committee, to exchange information helpful in work system operations.
- Maintains professional and technical knowledge by conducting research; attending relevant training and conferences, and by establishing networks with like programs.
- Contributes to a team effort and makes individual effort to support Pueblo of Laguna Workforce Excellence.
- Performs other duties as required.

**Minimum Qualifications:**

Associate's Degree in Environmental Sciences, Hydrology, Natural Resources, Environmental Technology or related field plus six months of directly related experience required. An equivalent combination of related education and relevant experience may be considered. Fluency in the Laguna language preferred.

**Background Investigation Requirements:**

The Pueblo of Laguna has a Suitability Policy for background investigation processes. Every position in the government operation is reviewed and designated at one of three risk levels. The determination is commensurate with public trust responsibilities and attributes of the position which includes job duties. The Environmental Technician I is designated as a Moderate Risk Public Trust (MRT) position.
